A COLORED REGIMENT.

Tenth Cavairy Ceming to Fort Ethan Allen in May.

Orders have been issued by the war department for the transportation of the 16th United States cavalry (colored) to Fort Ethan Allen. The rogtment is expected to be here about the 15th of next May. The 10th is now in Philippines, where it has been since the close of the Spanish-American war. This regiment has an enviable war record and its enlisted men are noted for their good behavior. There has been very little deserting and the soldiers have all been in the service for some time. It is expected that the troops now occupying the
